City, State & Zip Code:

Shipping Address if different from billing address:

Name:

Address:

City, State, Zip:

Item Number	Description and Size	Quantity	\$ per unit

Once your order has been received and processed, an invoice with shipping costs will be sent to you email address. If you do not hear back from us within 24 hours, please check your spam folder for the email. Once your order is completed and shipped, you will be furnished with a tracking number to know when to expect your delivery. Thank you for placing your order with us today.

For custom design orders on vestments and other appointment, please complete the following pages of this form inserting the fabric choices and the unit price listed in the fabrics catalog for an ESTIMATE of the cost of your project.

To help us prepare your estimate for the custom vestment, please tell us the fabrics and trims you wish you use in the project. Plain and textured solids are also available, please indicate this style you are interested in using..
